

## **On-demand/Webinar Online Recertification Course Collaboration Team Charge Questions**

*Note that many questions are included in the draft scoping document under "Issues for discussion".*

- What states currently allow on-demand/webinar online recertification courses?
- What are state requirements for on-demand/webinar online recertification courses/training?
- What are the similarities and differences in requirements for on-demand/webinar online courses between states?
- What are the barriers for states that don't allow on-demand/webinar online courses to allow their use?
- What are the barriers for training providers to offer on-demand/webinar online courses in one or more states?
- What, if any, reciprocity between states is there for on-demand/webinar online recertification courses?
- What ways can reciprocity between states be accomplished?
- How relevant are previous CTAG guidance documents to today's online training needs?
